

## HSC beginner sailing info term 1, 2018

You will have seen the storm damage to the Howick Sailing Club in the media, but our Optimists and small inflatables for beginner sailing are unharmed and we are up and running as usual.

**LEARN TO SAIL – ‘START...SAILING!’ YNZ LEVEL 1.** Learn to Sail is aimed at children aged 8 – 14 years old who are new to sailing or have very little experience on the water. Participants will learn the basics of sailing, safety and build their confidence on the water. By the end of the course participants will be able to helm their own boat on all points of sail in light to medium breeze. “Start... Sailing!” offers children the opportunity to start on pathway to ongoing involvement in sailing clubs through progression throughout the YNZ youth sailing scheme.
